Yet we learned ... most of us. From teachers, classes, books, even the free-flying birds. We watched the faces. Faces doing all kinds of things, listening, thinking, relaxing, vacant of intense, expressions ever changing, now rooting for the home team, now striving against the opposing team, now exhausted after the will-fought fight ... now smiling at someone's eyes, being smiled at in return ...

All the faces doing something, reading, brooding, and (corny as it sounds) growing up, older, maybe even wiser. Faces, all sorts of faces, growing, changing, remaining strangely the same happy-sad, intent-vacant, ugly-beautiful. Ah, the beautiful faces, The Beautiful People.

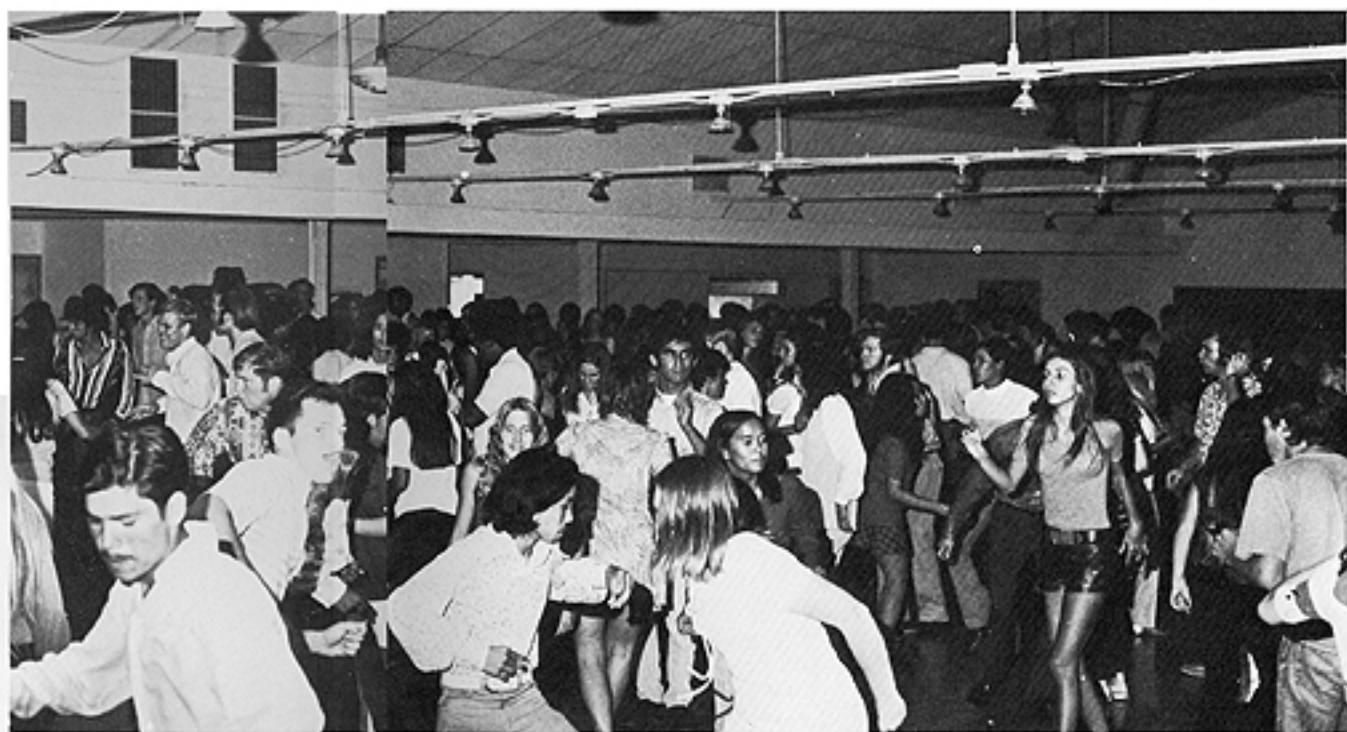

we watched the faces. faces
doing all kinds of things, smiling,
laughing, acting, reacting.

Welcome Back

**SCHOOL BEGINS
SEPT. 7 AT 7:55
WELCOME BACK**

School opened on September 7th at 7:55. Students hurried to get their schedules. Soon the first bell rang and the school year had officially begun. After a week of confusion and mixed up schedules all students were invited to attend the Welcoming Dance held at the Pavilion.

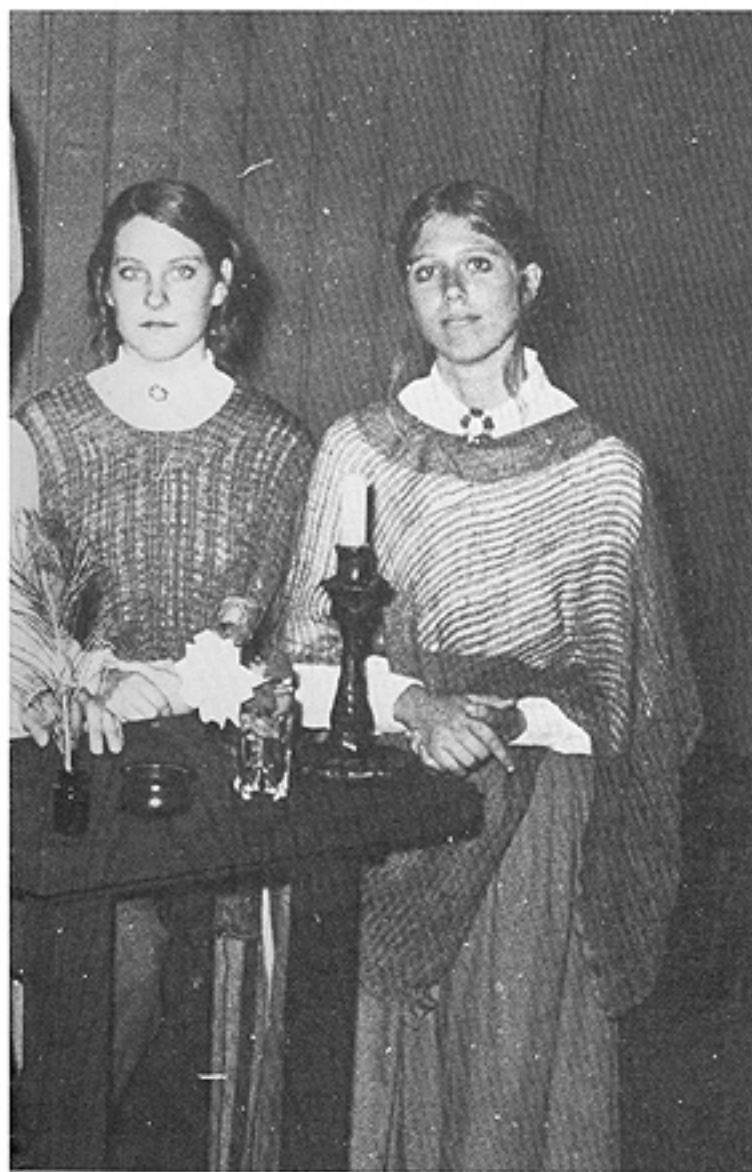

Above Right: P.S.H.S. students and alumni dance to the music supplied by the band.
Right: While other students busily go off to class Seniors Bill Marinko and Eddy Payne try and decide what to do.
Center: To welcome all students back to school the band plays "We've Only Just Begun".
Far Right: Heavily bogged down with books, student finally is assigned a locker.

"Star Spangled Girl," one of Neil Simon's most fast paced and humorous plays, was the first production of the Palm Springs High School Drama Department this year.

Take one temperamental writer for a reactionary magazine, a struggling editor, and an All-American Olympic swim champion with love in her eyes, mix, and stand back. The result is Star Spangled Girl, a play about a patriotic young girl who moves next door to two young magazine writers. The play received praise for acting, set design, and lighting effects, and was the best way the Drama Department could start off the year. Starring in the play were Luther Hansen, Richard Gore, Kathy Morrison, and Debbie MacIntosh. The play was produced and directed by C. Morton Cliff, head of the Drama Department.

Drama Plays

"Whitman Portrait" was a play about a great American artist. It was about Whitman's personality and life. Some of the Palm Springs High School students starring in the play were Joyce Weigle, Richard Gore, and Jeff Radcliff. All have participated in many school productions.

Fiddler on the Roof

The "all school production," this year was the fantastic "Fiddler on the Roof." The play took place in the town of "Anatevka," in 1905. The story of "Fiddler on the Roof," tells of a poor Jewish family and their trials in marrying of their three daughters. Influenced by love, tradition, and a crazy matchmaker, Tevye and Golde are caught up in the changing times. Tevye was played by Scott Heyden, and Golde by Robin Moore. The other leads were Debbie Harter, Kathy Baxter, Debbie Johns, Jon Wessel, Woody Allabough, Eddie Montez, Harvey Kessler, Barbara Harter, and Peter Encke.

PEP ASSEMBLIES

This year's Pep Assemblies were by far the best ever. Thanks to the fantastically spirited Pep Squad and the great participation of all students the Pep Assemblies were a great success. There were many original ideas used this year. The cheerleaders and Pom Pon girls worked hard to make the Pep Assemblies enjoyable for all. The purpose of these assemblies was to honor the athletic teams and to encourage students to help raise the spirit.

A new idea was tried this year. Different clubs on campus sponsored various Pep Assemblies. The Pep Assembly put on by Indian Club was enjoyed by all. There was much more participation in the assemblies this year and all students had a chance to become more involved. Even teachers participated this year in such things as Fashion Shows, Sexiest Legs Contests, etc. There was also a Playboy of the School Contest which was won by Steve Murray.

It was a great year for Pep Assemblies at P.S.H.S. and it's due to the participation and cooperation of all.

POT POURRI

During the 1971-72 school year there were many activities that involved all students. Various clubs, and outside organizations sponsored Pep Assemblies, the traditional dances, carnivals and sports activities. These are parting shots of just some of the activities our school was involved in.

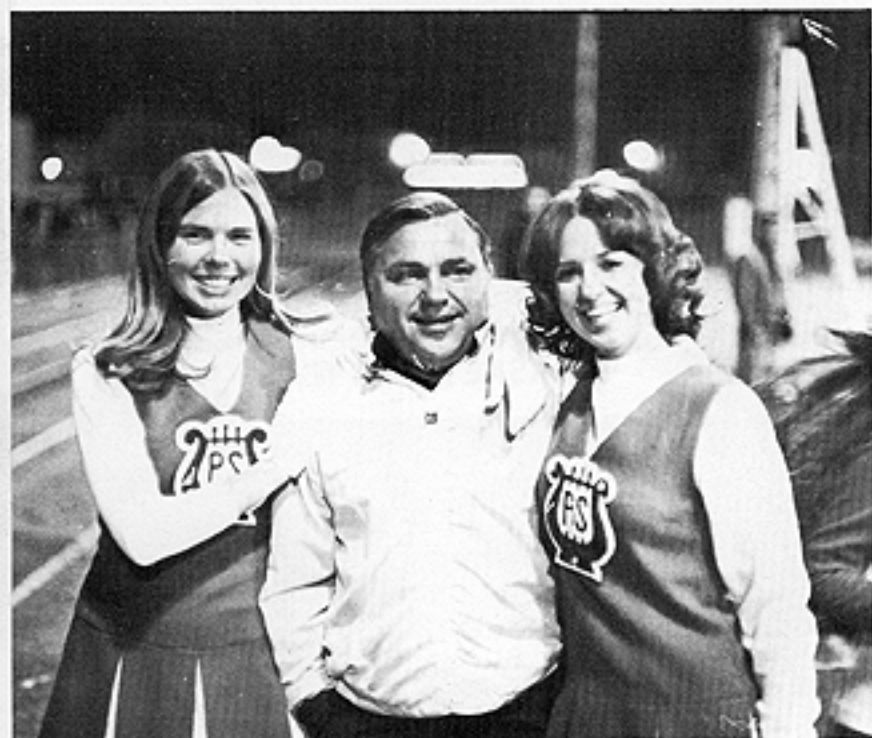

Homecoming '71

Monday October 22nd marked the official beginning of P.S.H.S. Homecoming Week. Members of each class and club began working on their floats. This years theme was "Comic Strips." Everyone worked hard with hopes of making their float the best.

On Friday October 29th the floats were completed and judged; Senior Class took Sweepstakes with their float "Dennis the Menace". First place went to G.A.A. whose float was a life-like impression of Fred Flintstone and his dinosaur Dino. Class of '73 took second place with their float "Peanuts". Third place went to the Sophomores for their float "Boner's Ark".

When Homecoming Week began, so did fun and games for all interested students.

Monday Oct. 25 was a school holiday and all classes were allowed one full day to work on their floats.

Tuesday the 26 was an activity day. All students were dismissed at 12:30 and went to the football field to participate in the various class activities.

There were events such as V.W. races between classes, which the Seniors won. Sophomores beat the Juniors and Seniors in the pie eating contest. Seniors were too fast for the underclassmen when it came to the three legged race. Juniors girls proved their power over the Sophomores and Seniors by winning the tug-a-war.

The team, new to varsity, with the exception of one returning letterman, made their way to the C.I.F. playoffs winning the first round against the Banning Broncos. Highlights of the season were a 2nd place finish in the Palm Springs Relays, including a record breaking performance by the 4 man 2 mile team of Tom Taylor, Dennis Blackner, Chris Murphy and Gilbert Perez, and league wins over Calexico and Palo Verde.

With most of the team returning with excellent help from "B's" and "C's" P.S.H.S. can expect productive seasons in future.

Chia Summer Supplement

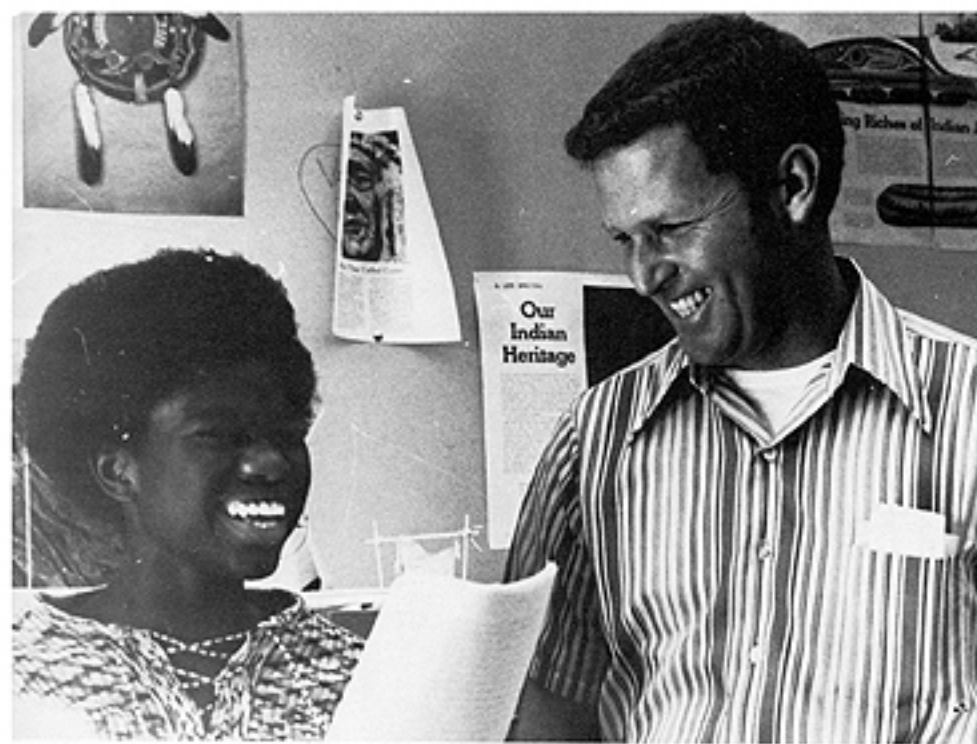

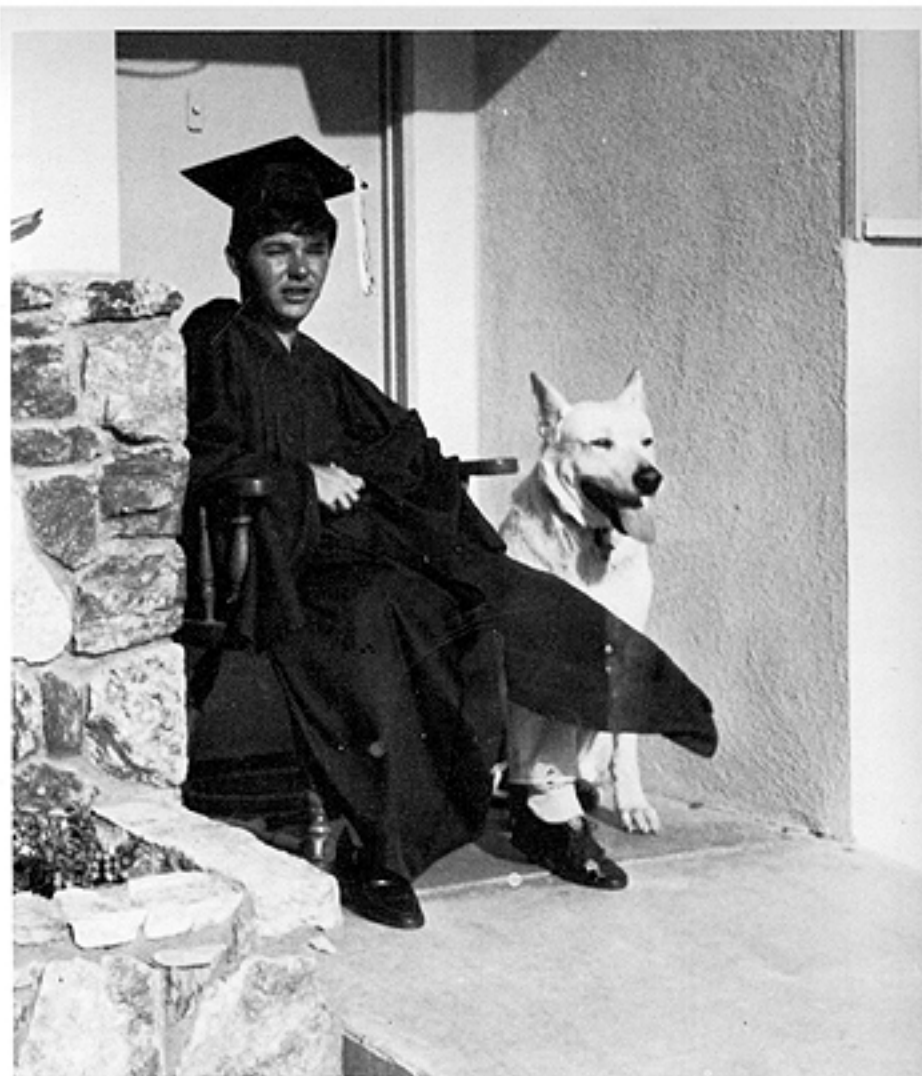

Girls Athletic Association carnival was a great success making close to \$300. There were eighteen booths, 8 of which were GAA and the rest being supported by individual clubs such as Maya, Ashanti, and Chia. Of all the booths, the football throw was the most prosperous. The carnival lasted from 6:30 PM to 9:00 PM. The dance was held from 9:00 PM to 11:00 PM where Kevin Golden and Debbie Kliebe were crowned King and Queen. These junior participants achieved their titles by collecting more pennies than any other class.

In Memory of Charles Spataro

Charles Spataro attended his first six years of grade school at Desert Hot Springs Elementary School. He went to Nellie N. Coffman Junior High and graduated from Palm Springs High School in 1968. In ninth grade Charlie was confined to a wheelchair with the disease of muscular distrophy, but this never slowed him down. Charlie loved sports and attended most of the football, basketball, and baseball games at the high school. He also loved the swim meets and at home he enjoyed stamp and coin collecting. At the first home football game of the season the ASB presented Charlie with a red blanket with white trim, one corner had a varsity letter and the other had his initials. The blanket was presented to Charlie for being such a great person and constant fan of the High School teams.

IN MEMORY OF MR. RONALD PENDERGAST

Ron Pendergast was a teacher here at Palm Springs High School for three years, during this time he was the Ashanti Club Advisor and track coach. Ron Pendergast came to dedicate his life to human relations, and an educational system dedicated to up lifting the total community. He hoped that one day people would join together to form a more peaceful society without racial violence.

He believed in equality of all people.

Many students thought of Mr. Pendergast not only as a teacher but as a friend, one could talk to him and know he was listening.

The sentiments of the students are expressed through the words of this poem:

Why did he leave us?
Why did he have to go?
Because he was my favorite,
I'm going to miss him, you know.

Why did he leave so soon?
Why wasn't "it" allowed to grow?
Because I enjoyed being with him
I'm going to miss him, you know.

Why did he leave us?
Why did he have to go?
But I guess he was God's friend,
too, and that's why he had to go.

Above Left: His smile is contagious.

THE SKIN OF OUR TEETH

The Skin of Our Teeth, which played May 11-13 and the 18-20, is a comedy about George Antrobus, his wife, two children, and their maid Lily Sabina, all of Excelsior, New Jersey. The Antrobuses have survived fire, flood, pestilence, the seven-year locusts, the ice age, the black pox and the double feature, a dozen wars and as many depressions. Alternately bewitched, befuddled and becalmed, they are the stuff of which heroes are made—heroes and buffoons. They have survived a thousand calamities by the skin of their teeth and this play was a tribute to their indestructibility.

BUDDY RICH

Amid the clamor of the closing days of school, the PSHS student body was given the unique experience of hearing one of the greatest Jazz bands of our time, Buddy Rich. The auditorium was filled with a repertoire from the 40's as well as the 70's. As a highlight his daughter Kathy sang to the accompaniment of the entire band.
