Dedication

To You Mr. Cunnison

For your outstanding leadership,
For your lasting understanding,
For your photographic assistance,
For your untiring patience,
For your unequalled fairness,
And your willing smile,
We, the Staff dedicate the OKIZU 1967.

To You Mr. Dunne

For your efforts to teach us mathematics,
For your willingness to give personal help,
For your wit and wisdom,
For your endless faith in your students,
For your twinkling eyes,
And smile that never fades,
We, the Staff, dedicate the OKIZU 1967.

MEMORIES

In retrospect, we, the Class of 1967, reflect on many outstanding events. We came back to school bright eyed and ready to give up summer fun, relaxation, and boredom for books, teachers, and study? Whew! We must have been crazy. Soon figures, notes, and creative thinking made the vacation a thing almost forgotten. Crazy sock contests, fire sword dancers, and the music of Christmas became the highlights of recreational activity. We can't forget Junior Olympic Day and the Student Faculty softball game. With the awards assembly, the year was complete and truly a vintage year.
